This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

RETURN

(53*b*)

PREPARED from the Records of the Elections to the present House of Commons, showing the number of Votes polled for the respective Candidates in the several Electoral Districts, and in the various Subdivisions thereof, together with the number of Ballots rejected and spoiled in each and every Subdivision, at the last General Election; and also at each and every Election held subsequently thereto up to the date hereof, 8th June, 1887; specifying the cases in which a recount of Votes was had, and the changes made in respect thereof. Also the number of Electors on the Revised Electoral Lists, together with the Population as shown by the last Census, of each and every such District and Subdivision.

Ordered by the House of Commons on the 25th day of April, 1887.

RAPPORT

(53*b*)

FAIT d'après les Archives des Elections de la présente Chambre des Communes, indiquant le nombre des votes enregistrés pour les Candidats respectifs dans les différents Districts Electoraux, et leurs différentes Subdivisions, aussi le nombre de bulletins écartés et maculés dans chacune des dites Subdivisions, durant la dernière Election Générale, et à chaque élection tenue subséquemment jusqu'au 8me jour de juin 1887; spécifiant les cas où un nouveau dépouillement des votes a eu lieu, et les changements faits en conséquence. Aussi le nombre des électeurs sur les Listes Electorales revisées, ainsi que la population telle qu'indiquée par le dernier recensement de chaque District et Subdivision électorale.

Ordonné par la Chambre des Communes, le 25me jour d'avril 1887.

Returning Officer—casting vote. *Officier Rapporteur—vote prépondérant*		1							

Majority for / *Majorité pour* } EDOUARD GUILBAULT, 1. { As declared by the Judge. / *Tel que declaré par le juge.*

that on the recount by a judge, here given, showing each candidate to have received an equal number of votes, he gave his casting vote in favor of Mr. Guilbault.

L'officier rapporteur dans son rapport à l'addition finale par lui faite, déclare M. Guilbault élu, ayant la majorité des votes, mais sur nouveau dépouillement par un juge, ici donné, il est démontré que chaque candidat a reçu un nombre égal de votes ; il a donné son vote prépondérant en faveur de M. Guilbault.
